ARTICLE III

GRIEVANCE PROCEDURES

Section I.

- A. A grievance shall mean only a complaint that there has been an alleged violation, misinterpretation, or misapplication of any of the specific provisions of this agreement. A "Grievant" shall mean an employee or the Association filing a grievance.
- B.
 1. Every employee covered by this Agreement or the Association shall have the right to present grievances in accordance with these procedures.
 2. The failure of a grievant (or, in the event of an appeal to arbitration, the Association) to act on any grievance within the prescribed time limits will act as a bar to any further appeal and an administrator's failure to give a decision within the time limits shall permit the grievant to proceed to the next step. The time limits, however, may be extended by mutual agreement.

3. It is agreed that any investigation or other handling or processing of any grievance by the grievant shall be conducted so as to result in no interference with or interruption whatsoever of the instructional program and related work activities of the grieving employee or of the teaching staff.
4. In the event of a conflict between the Association and the employee as to how the grievance should be handled, the employee's decision shall prevail; except that only with the Association's consent may it be taken to arbitration. The employee or employer may have a representative present to represent them at any step of the grievance procedure.

C. 1. First Step:

An attempt shall be made to resolve any grievance in informal, verbal discussion between complainant and his/her principal.

2. Second Step:

If the grievance cannot be resolved informally, the grievant shall file the grievance in writing and, at a mutually agreeable time, discuss the matter with the principal. The written grievance shall state the nature of the grievance, shall note the specific clause or clauses of the contract that have been violated, and shall state the remedy requested. The filing of the formal, written grievance at the second step must be within ten (10) school days from the date of occurrence of the event giving rise to the grievance. The principal shall make a decision on the grievance and communicate it in writing to the grievant and the Superintendent within ten (10) school days after receipt of the grievance.

3. Third Step:

In the event a grievance has not been satisfactorily resolved at the second step, the grievant shall file, within ten (10) school days of the principal's written decision at the second step, a copy of the grievance with the Superintendent. Within ten (10) school days after such written grievance is filed, the aggrieved and Superintendent or the Superintendent's designee shall meet to resolve the grievance. The Superintendent or the Superintendent's designee shall file an answer within ten (10) school days of the third-step grievance meeting and communicate it in writing to the grievant, the principal and the duly authorized representative of the Association.

4. Fourth Step:

If the grievance is not resolved satisfactorily at Step 3, there shall be available a fourth step of impartial, binding arbitration. The Association may submit, in writing, a request on behalf of the Association and the grievant to the Superintendent within 30 days from the receipt of the Step 3 answer to enter into such arbitration. The arbitration proceeding shall be conducted by an arbitrator to be selected by the two parties within ten (10) school days after said notice is given. If the two parties fail to reach agreement on an arbitrator within ten (10) school days the PERB will be requested to provide a panel of seven (7) arbitrators. Each of the two parties will alternately strike one name at a time from the panel until only one shall remain. The remaining name shall be the arbitrator. The decision of the arbitrator will be binding on the parties.

Expenses for the arbitrator's services shall be borne equally by the School District and the Association.

The arbitrator, in his/her opinion, shall not amend, modify, nullify, ignore, or add to the provisions of this Agreement. His/Her authority shall be strictly limited to deciding only the issue or issues presented to him/her in writing by the School District and the Association and his/her decision must be based solely and only upon his/her interpretation of the meaning or application of the express relevant language of the Agreement.

- D. All documents, communications and records dealing with the processing of a grievance shall be filed in a separate grievance file and shall not be kept in the personnel file of any of the participants.

ARTICLE IV

PERSONAL WELFARE

A. Sick Leave:

1. Sick leave in the West Hancock Community School will be twelve (12) days for the first year, thirteen (13) days for the second year, fourteen (14) days for the third year, and fifteen (15) days for the fourth year, and each year thereafter, accumulative to 105 days.
2. The preceding amounts shall apply only to consecutive years of employment in this school district or its successors and unused portions shall be cumulative to maximum of 105 days. The administration shall require such reasonable evidence as it may desire confirming the necessity for such leave.
3. A day of sick leave will be deducted from the teacher's accumulated sick leave for every day that the teacher is absent with full pay under the provisions of this paragraph.
4. Each employee may use up to seven (7) days of his/her annual sick leave for the care of an immediate family member who is ill. Employees who have accumulated 80 days of sick leave at the beginning of the school year will be eligible to use eight (8) days of annual sick leave for the care of an immediate family member who is ill. Likewise, an employee who has accumulated 90 days shall be granted nine (9) days and those who have accumulated 100 days shall be granted ten (10) days. The immediate family includes child, spouse, parent, brother, sister, mother-in-law, father-in-law, brother-in-law, sister-in-law, son-in-law, daughter-in-law, grandchild, and grandparent of the employee or spouse of the employee; or other relative living in the employees household. Each employee may use additional sick leave days beyond their allotted family sick leave days up to his/her maximum amount of annual sick leave for the care of an immediate family member who is ill, with documentation by a doctor of the need for the care of the immediate family member furnished to the school, and with the costs of a substitute teacher deducted from the employee's salary. Should an employee need more than the maximum amount of annual sick leave for the care of an immediate family member who is ill, the leave may be granted as unpaid leave at the discretion of the Superintendent.

B. Jury and Legal Leave:

Any teacher called for jury duty during school hours or who is subpoenaed for any judicial matter shall be provided such time with full pay, providing, however, that this clause shall be inoperative when the Board is a party to any such proceedings. Any fees or remunerations the teacher receives during such leave, less mileage allowance, shall be turned over to the school district.

C. Association Leave:

One delegate shall be granted a leave of absence with full pay less cost of substitute to attend the ISEA delegate assembly for two days. The W.H.E.A. will reimburse the delegate for the deduction of the substitute's salary.

D. Funeral Absences:

A leave of absence with full pay will be granted according to the following:

In the event of a death of a member of a certificated employee's family, bereavement leave may be granted. Bereavement leave granted may be for a maximum of five (5) days, with "day" being defined as one work day regardless of full-time or part-time status of the employee, per occurrence, for the death of a member of the immediate family. The immediate family includes child, spouse, parent, brother, sister, mother-in-law, father-in-law, brother-in-law, sister-in-law, son-in-law, daughter-in-law, grandchild, and grandparent of the employee or spouse of the employee; or other relative living in the employees household.

It shall be within the discretion of the superintendent to determine the number of bereavement leave days to be granted.

E. Personal Leave:

Each teacher shall have three (3) days personal leave, with one (1) day to be used for funerals and two (2) days to be used for the teacher's personal affairs. All personal leave days will be without loss of pay. Such personal leave days shall be credited to the teacher as of the first official work day of the school year. A teacher planning to use a personal leave day shall notify his/her principal at least five (5) working days in advance. In case of emergency, less than five (5) days notice will be considered, with determination of acceptance by the building principal. The teacher shall not be required to give a reason for the use of a personal leave day. Leave days shall not be permitted during the first five (5) or the last five (5) teacher contract days of the school year or the two (2) teacher contract days preceding or following a paid holiday. Not more than two teachers per building per day will be granted personal leave. Should teachers from the same building submit personal leave requests simultaneously, the request of the teacher who most recently used personal leave will be considered to be the second request, and in the absence of such information, the order of submitted requests will be determined by drawing lots. Teachers who do not use their allotted days for personal affairs may carry over to the next school year up to one (1) unused day. A teacher who carries forward .5 or 1 unused day will have that added to the 2 allotted days for the next year.

F. Professional Leave:

Professional Leave days may be used for an educational purpose at the discretion of the administration. The employee planning to use a professional leave day will apply to the administration, in writing, at least one week in advance of his/her absence. A written approval or denial will be given to the employee within 3 days of application. If it is a denial, reasons will be stated. The denied request may be appealed to a review panel consisting of the building principal, the superintendent, and a teacher for reconsideration. Professional days shall be used for the purpose of:

The specific building hours will be determined by the building administrator and announced prior to the beginning of the school year. Exceptions will be made for faculty meetings, in-service days, and parent-teacher conferences. Teachers may leave on Friday or the last day of the week as soon as the busses have left. In such grievance, the arbitrator's remedy shall be limited to correcting the rating or statement in the evaluation that is questioned.

G. Personnel File Review, Response and Reproduction

Each employee shall have the right to review the non-confidential contents of his/her personnel file. When documents are added to the personnel file, the employee shall receive a copy of the document. A representative of the Association, at the employee's request, may accompany the employee in this review. The employee may respond to personnel file materials and have the response placed in the file. The employee may reproduce the non-confidential contents of his/her file at his/her own expense.

H. Intensive Assistance Plan

1. Intensive Assistance Plan is designed to provide clear intervention for experienced teachers whose job performance has been determined to not meet the Iowa Teaching Standards. The procedures identified within this section are meant to provide a structured process for teachers who have been identified as needing support.
2. Intensive Plan Procedures
 - a. The intensive plan procedures will begin with a formal meeting between the evaluator and the teacher. During this meeting, the evaluator will convey to the teacher, in writing, the specific behaviors that do not meet the Iowa Teaching Standards and will review documentation supporting this conclusion. The evaluator will present to and discuss with the teacher the plan of support that identifies actions for the teacher to complete for the purpose of improving performance identified as unsatisfactory.

 - c. At the request of the teacher a mentor(s) shall be provided. Participation as a mentor shall be voluntary. The evaluator and the teacher shall mutually select the mentor(s).

- d. The role of the mentor(s) is to use data and information provided by the evaluator and the teacher to assist in developing a planned approach to help the teacher meet the Iowa Teaching Standards. The mentor(s) will maintain strict confidentiality. Observations and comments made by the mentor(s) are not reported to the evaluator, and do not become part of the teacher's evaluation. The support provided is targeted solely at helping the teacher improve her or his performance in relation to the Iowa Teaching Standards.

- f. After the Intensive Assistance Plan has been completed, or upon receipt of a written request from the teacher to discontinue the process, the evaluator shall make one of the following recommendations:

Before the superintendent presents recommendations for any reduction in certified staff, the superintendent will first notify in writing and discuss with the West Hancock Education Association (through its representatives) the causes of, the effects of, and plans for such reduction. The superintendent shall consider the following criteria in making the recommendations:
 - 1. The superintendent shall first attempt to make recommendations for staff reductions through attrition. Attrition shall only be deemed to have occurred where the Board has received resignations in the area which reduction is sought prior to the issuance by the superintendent of Notice to Terminate Contract.
 - 2. The administration shall base its decision as related to reduction of staff on the following:
Certification- license held with the state of Iowa
Seniority- number of years in district
- B. Employees selected for staff reduction shall be notified in writing the date specified by the Code of Iowa for termination by certified mail and/or personal delivery.
- C. Recall

The staff member does not have to accept the recall position if the position offered is more than three grade levels from the previous grade level, or if the position is out of the staff member's teaching field. Refusal to accept a recall position for the above reasons does not disqualify the staff member from further recall rights. Refusal of recall position for any other reason does disqualify the staff member for further recall rights.

Any employee re-employed by exercising their recall rights shall be reinstated at one step above the salary, benefit and experience level at the time of their layoff, unless they qualify for a higher step by having obtained additional training throughout the layoff period, in which case they would present proof of such qualifications to the Superintendent no later than September 10 of the current school year.

ARTICLE X

- b.) Seniority- number of years in the district

B. Voluntary Transfers

C. Involuntary Transfers

Involuntary transfers shall not be made for wholly arbitrary and capricious reasons. Should any grievance ever be pursued to arbitration under this provision, the authority of the arbitrator shall be limited to deciding only whether there was lacking any non-arbitrary, non-capricious rationale for the transfer, and the arbitrator shall not be empowered to order any remedy should he/she find any such rationale not to exist.

INSURANCE

- A. The Board agrees to pay up to a maximum of \$540.00 per month toward premiums for insurances, excluding LTD, for each eligible employee and his/her eligible spouse and dependent children. If an employee is hired at less than 50% FTE, the insurance benefit will be prorated according to FTE. The West Hancock Education Association agrees that each employee will pay the balance of the premiums, having the remainder deducted from his/her pay. For reasons of District liability, each employee who is enrolled in health insurance coverage will contribute toward his/her health insurance plan. For those employees whose health insurance is covered entirely by the \$540.00, they will contribute \$1.00 per year toward their health insurance coverage. For those employees whose health insurance coverage is not covered entirely by the \$540.00, they will contribute the remainder of the required monthly premium toward the health insurance program they have chosen.

The Board further agrees that in the event that it employs two members of the same family unit, they will pay up to the maximum rate for each member to be applied to a family plan.

The insurances are listed below:

1. Health and Major Medical
 - a. Health and Major Medical Insurance shall be coverage that is jointly agreed upon by the Board and the West Hancock Education Association.
 - b. The Board provided health insurance program shall be for twelve (12) consecutive months (beginning September 1 and ending August 31 for current employees) each school year. Employees new to the District shall be provided health insurance commencing on the first of the month following the start of their employment.
 - c. In the event that an employee, absent because of illness or injury, has exhausted sick leave accrual, payment of health insurance premiums shall continue throughout the balance of the current school year.
2. Disability Insurance
 - a. The opportunity for disability insurance shall be provided by the school district, as per insurance company requirements. Remuneration for premium costs shall not be the responsibility of the West Hancock Community School District, but that of the individual employee.
 - b. Scheduled monthly income.

Maximum monthly income will be determined by the district insurance provider per the district policy agreement.
 - c. Benefit payable.

The amount provided in the above schedule less any social security benefits for which the employee and his/her dependents are eligible. Once established, the benefit will not be further reduced by subsequent increases in social security benefits.
 - d. Minimum benefit payable will in no event be less than \$50.00 monthly.
 - e. Benefits will be payable to age 65.
